janitorial guide charts

We know it can be difficult to distinguish which products should be used within each part of your building.

We have put together a range of charts, which briefly outline the products we suggest in each setting, health & safety issues & directions of use.

These charts are available to download through our website www.gompels.co.uk

- catering hygiene
- dishwasher hygiene
- general hygiene
- house keeping hygiene
- infection control hygiene
- janitorial hygiene
- laundry hygiene
- washing up hygiene
- washroom hygiene
